Rep. Kleefisch Receives Prestigious Awards

Madison – Representative Joel Kleefisch recently received three more awards for his work in the Legislature. These awards were given to him by organizations to honor his legislative achievements this past session. The awards are the ‘Building Wisconsin’ Award from the Associated Builders and Contractors of Wisconsin, the ‘Champions of Commerce’ Award from the Metropolitan Milwaukee Association of Commerce, and the ‘Conservative Achievement’ Award from the American Conservative Union.

“It is an honor to be recognized for these awards,” said Rep. Kleefisch. “Every day, my goal is to keep Wisconsin great and to make it an even better place for all my constituents and every resident across Wisconsin. Twenty-six of my bills were signed into law this past session, including legislation that helps law enforcement track down child predators, legislation helping adoptive parents and protects adopted children, and bills assisting our sportsmen and women.”

“With my work as the Chair of the Criminal Justice and Public Safety Committee and as a member of the Natural Resources and Sporting Heritage Committee, we were able to make great strides in protecting our citizens, keeping our children safe, and enhancing our natural resources and sporting heritage,” said Rep. Kleefisch. “Additionally, we in the Legislature made great strides in growing our economy, aiding small businesses, reforming government, and we continue to hold the line on taxes. I look forward to making even more progress next session.”
